07436500346 | badmusbamidelet@gmail.com | United Kingdom.

PROFESSIONAL SUMMARY

Skilled in front-end development with hands-on experience in JavaScript, ReactJS, and UI/UX principles. Competent at creating user-friendly, responsive websites and applications. Experienced in technical support, where I developed problem-solving abilities and collaborated with teams to improve user experiences. Eager to utilise my web development skills and expand my knowledge in a professional development-focused environment.

TECHNICAL SKILLS

JavaScript	Deployment	Zendesk / TeamViewer
React / API Intergration	Git / GitHub	Figma
Bootstrap / Tailwind CSS	HTML/CSS	Wireframing/Prototyping

PROFESSIONAL EXPERIENCE

Kwara State University| Technical Support Officer (Remote)

August 2023 - February 2025

- Provided remote technical assistance through phone, email, and live chat, troubleshooting software, hardware, and network issues to ensure optimal system performance.
- Collaborated with cross-functional teams to resolve complex issues, improving the user experience and streamlining support processes.
- Created user guides and FAQs, reducing recurring support requests and enhancing customer self-service.

SQI College of ICT | Front-End Developer Intern

February 2023 - August 2023

- Developed custom websites using HTML, CSS, and JavaScript/React, ensuring responsive and functional designs.
- Collaborated with senior developers and UI/UX designers to create visually appealing, user-friendly interfaces.
- Contributed to cross-functional brainstorming sessions on freelance projects, offering creative input for product development.

SQI College of ICT | UI/UX Designer Intern

November 2022 - January 2023

- Designed and tested product prototypes, using user feedback to enhance current and future product designs.
- Collaborated with UI designers to implement visually appealing designs while minimizing development costs.
- Created and maintained design wire-frames and specifications, aligning product features with user needs
